TUESDAY, JULY 26, 1864.

THE CITY.

[illegible] Fire Bell Rang, at 4 o'clock this morning, for a fire in a two story frame building on the corner of Twelfth and Clark streets. The damage was trifling.

Mr. Lincoln's Birthday.—It is expected by many that the next anniversary of Mr. Lincoln's birthday will be celebrated by the Republicans of this city in a very much more enthusiastic manner than the last one was. The reason is obvious.

Fire.—A fire occurred on Saturday night, at about 11 o'clock, in the rear of No. 71 Fifth avenue, which caused a loss of about $1,000. The building was owned by Mr. Wm. Hoffman, and was insured for $500 in the Home Insurance Company.

Removal.—The store of C. H. Webster, No. 272 Madison street, was removed by moonlight, during the night, and about $400 worth of tobacco, &c., was carried off.

Fire.—A fire occurred in the rear of No. 67 Fulton street, on Saturday evening, at about 6 o'clock, which caused a loss of about $100. The building was owned by Mr. Peter Gilt, and was insured in the Home Insurance Company for $1,000.

Fire.—A fire occurred on the premises of C. Tenbrey's shoe shop, No. 430 Dearborn street, on Saturday evening, at about 6 o'clock, which caused a loss of about $100. The building was owned by Mr. Tenbrey, and was insured for $1,000 in the Home Insurance Company.

The Weight Hose.—The Hon. Robert Lalor Collier, of the Council of the city of London, has presented to the Lord Mayor of that city, for the use of the Metropolitan Fire Brigade, 700 feet of hose, which, when coupled, will reach from Temple Bar to Charing Cross. The Council had already obtained 1,000 feet.

Accident via Rockaway.—John Milne was the driver of a Rockaway, on Saturday, in the employ of Mary Connor, of Madison and Jefferson streets. The Rockaway in which he was driving came in contact with a horse and buggy, in which were Mr. Wm. Bowen, of Lake street, and his wife, on the corner of Lake and Clinton streets, on the West Side, by which Mrs. Bowen was thrown out and severely injured.

Runaway Accident.—Yesterday afternoon, at about 4 o'clock, a horse attached to a buggy, in which were Mrs. Dr. Hall and her daughter, became frightened at the cars on the Chicago & Northwestern Railroad, between Kinzie and Lake streets, and ran away. The occupants of the buggy were thrown out, but not seriously injured. The horse was stopped on Lake street, near Halsted, by Officer Hall.

Runaway Accident.—The 900 Address, drawn accidentally struck a fifth post over the bend, the other evening, with a big queue. When the driver got it out with his reckless, nose bleed and the fifth post for their day's conquest.

Preliminary Examination.—The alleged thief-robbery of C. C. Chamberlain, reported in No. 12 Page, was examined, on the 22d instant, by a Justice of the Peace. The case will probably come up for adjudication before the United States District Court.

Dead Drunk Person.—Early yesterday morning the dead body of an inebriated, apparently three days old, was found in a vacant lot on Twelfth street, near Throop. The coroner held an inquest upon the body, and a verdict of "Death from intemperance" was rendered.

Arrested on Suspicion.—Officer Vandenburgh, on Saturday afternoon, arrested a man named Wm. Wilson, on suspicion of having stolen a lot of goods and a trunk of Quincy Jones on the train of Friday, December 18, 1863. Wilson was taken before Justice Morrison, and committed to jail in default of bail.

Mr. Greenebaum.—The Hebrew fast of Ab, commencing this evening, will be observed by our prominent and wealthy gentlemen during the day. Numerous of these gentlemen from the East, who are in the city, will not open their stores to-day, but will observe the fast strictly, as prescribed by the Hebrews of this city.

The Vacancy.—At a special meeting of the Young Men's Christian Association, held on Friday evening in Bryan Hall, for the purpose of receiving the report of the Committee of Arrangements of the Semi-Centennial of the Association, and of selecting a successor to the late lamented Dr. Goss, a member of the Committee, Mr. Gordon J. Culley, a member of the company, was the choice unanimously in being elected.
